

Discipline Policy

We offer a positive approach to childcare, which we believe will most benefit the children in our care. Every member of the staff appreciates and understands our Policies and Procedures for disciplining children. Positive tools we use are:

Infant and Toddler Programs

- A positive approach with each child from day one
- Patience and understanding
- Fairness and consistency
- Encouragement and praise of good behavior
- Awareness of every child's needs in any situation
- Speaking to children at their own level, making eye contact
- Redirection applied as needed
- Each child's age, emotional and intellectual development is considered

Preschool and School-age Programs

- A positive approach with each child from day one
- Patience and understanding
- Fairness and consistency
- Encouragement and praise of good behavior
- Awareness of every child's needs in any situation
- Speaking to children at their own level, making eye contact
- Redirection applied as needed
- Each child's age, emotional and intellectual development is considered
- Time out is used as a last resort
